The site has 7 acres of grass surrounded by trees for you to enjoy the peaceful countryside. The children have plenty of room to play and run around.

There is an onsite shower block facility with toilets and showers available for campers. It has a wash up area and an outside tap for drinking water.

Dogs are allowed on site, but we ask that they are kept on a lead and any mess is cleared up.

Summer Pub opening times

We are open everyday 12pm – close

Food being served 12-9pm

We are very close to the Norfolk Broads and the beach is only 6 – 8 miles from us. There are a few fishing lakes around us within a couple of miles. For the children there is Wroxham barns and Bewilderwood, which are exciting days out, weather permitting. The lovely market towns of Aylsham and North Walsham are within a 5 mile radius, offering plenty of shopping opportunity. The small village of Wroxham is on the Norfolk Broads and contains a shop for everyone! Broads Tours in Wroxham offer day boat hire as well as informative boat trips. Coltishall village is approximately 2 miles away on the river Bure. Being situated in a very rural area of Norfolk with plenty of nice walks around, it is easy to wear the dog out and even the children!
